

 **Business Teaching Skills Workshop**
9th Workshop of our 9 SAS Weekend Program
July 20 & 21, 2013 (Sat/Sun) 11am-6pm

Have you ever said or asked yourself:

- *"I am so tired and I still have ANOTHER client!"*
- *"Am I EVER going to have enough TIME to work on my business?"*
- *"Where the HECK is this all going anyway?"*
- *"I'm busy, but how do I KEEP the clients I love, and let go of the clients I don't?"*
- *"Oh geez, they're making me crazy and it SHOWS!!"*
- *"Now that I'm trained, HOW do market myself and get my message out?"*
- *"I'm doing EVERYTHING and I still can't seem to get ahead!!"*

As a trainer or wellness professional, your success depends on your attitude, energy and the way you relate to your clients.

Learn & Immediately apply:

- A clear vision, goals and the next steps for **YOUR** life & business
- Breakthrough perspectives on self motivation
- The ability to connect more deeply AND meaningfully with your clients
- How to **RESPOND** vs. REACT to your own emotions and the emotions of your clients
- Newly developed unwavering willpower to make your business more efficient
- The proven mindset for success, happiness, & job satisfaction
- Secrets of motivation and how to use it to drive yourself and your clients with purpose in a state of "Flow"

And much much more!!

**Tools & Practices to implement right away on yourself
AND teach your clients!**

Featuring Pete Kirchmer , nearly 2 decades of experience
